**Re: Connect America Fund: WC Docket No. 10-90**

Dear Ms. Dortch:

On July 9, 2015, Genny Morelli and the undersigned of ITTA participated in a meeting with Travis Litman, Wireline Legal Advisor to Commissioner Rosenworcel, regarding issues presented in the above-referenced proceeding. We discussed the efforts of ITTA and other stakeholders to develop a voluntary, model-based universal service support plan for rate-of-return carriers as well as efforts towards the updating of existing cost recovery mechanisms. More specifically, we discussed the proposed three-track transition mechanism, interim broadband deployment milestones, and carrier-specific broadband build-out requirements included as attachments to the *ex parte* letter ITTA filed in this proceeding on June 29, 2015.<sup>1</sup>

Please do not hesitate to contact the undersigned with any questions regarding this submission.

Respectfully submitted,

A handwritten signature in black ink that reads "Micah Caldwell".
