(Washington, DC) The following statement was released today by ITTA – The Voice of Mid-Size Communications Companies and may be attributed to Genny Morelli, President of ITTA:

“ITTA congratulates Commissioner Jessica Rosenworcel on today’s vote by the Senate Commerce Committee on her re-nomination as a member of the Federal Communications Commission (FCC). In her role as FCC commissioner and in her previous position as a Senate staffer, Commissioner Rosenworcel has demonstrated a firm understanding of the many complex and challenging issues facing the communications industry. Her sound judgment has been a tremendous asset to the Commission and to the American people.

ITTA looks forward to continuing to work with Commissioner Rosenworcel in the coming years. We urge the Senate to promptly move her nomination to the floor for final vote.”
